MEMORANDUM FOR: Chief, Planning and Program Coordination  
Staff/DD/P

SUBJECT: Progress Report on the Implementation of  
Recommendation No. 2 of the Report to the  
President by the President's Board of  
Consultants on Foreign Intelligence  
Activities

Attached are copies of a draft report on the implementation of the Board of Consultants' Recommendation No. 2. I think that this draft is pointed more or less in the right general direction, but that it does not take adequate account of work that your area has probably been doing in connection with the Pentagon. I would appreciate if you would let me have within the next week appropriate paragraphs concerning the material that should be included, and any other comments or suggestions that you care to make.
